Musition Auralia

Case Studies

Teachers are using these amazing products in their schools each day, saving valuable time and improving their students' musicianship. Read more on our website!

"These programs are very user friendly and easy to customise. I use them to track students' progress and they're great for reducing my marking load"

JESSICA BUSBOOM, ASSOCIATE DIRECTOR
OCEAN'S EDGE SCHOOL OF WORSHIP

"Students are more engaged and this, in turn, leads to better results. I've noticed real improvement in students' results, especially intervals and chords"

MICHAEL MARTIN, MUSIC TEACHER
RUGBY SCHOOL

"Auralia and Musition are an excellent addition to the music program at Loyola, making it possible for students to advance at a faster pace."

CRISTIANO TIOZZO, HEAD OF MUSIC
LOYOLA SCHOOL
