REGISTRATION

NOTE: This guide is intended for customers who have purchased electronic serial number(s) or a physical card for single or student copies of Auralia and Musition.

Welcome

By now you will have received your serial number and can register, download and install your software.

Step 1 : Register

Register your software on the Rising Software website, and **take note** of the details you've entered!

www.risingsoftware.com/register/

Step 2 : Download

Once you have successfully registered you will be shown a page with download links.

You can save these files for later use, but note that you can always obtain new links in the future by simply registering again with the same details. Make sure you **take note** of the details you entered!

Step 3 : Install

Open the installation files and proceed through the installation process. As part of this process you will activate your software, when **you will need the details you entered at registration**.
